Hi Team JL42

With the onset of better weather, JL42 Peer Support will be looking for opportunities to further group activities. JL42 Peer Support now has good coverage of the Adelaide metropolitan area and is able to assist new participants access our services by contacting Jeremy (0481339463) in Southern Adelaide, or Adam in Northern Adelaide (0425898773). Currently we are looking at expanding into Mt Barker but are we are not quite there..... yet. Apologies.

Recently we had a group lawn bowls and BBQ day at the Clarence Garden Bowls Club. Numerous clients attended and everyone enjoyed the light competition. We are looking at going ahead with another day at the club in the near future. Other group plans may include BBQ's, 8 Ball, Drive in, Motor racing, VR, Comedy and Sports events.

Some of the assistance we have rendered to clients recently include, moving furniture, applying for government identification, doctors appointments, covid tests, gym sessions, fishing, chess, cooking lessons, applying for work, shopping, bike riding, libraries, day trips, companionship, horse-riding, home maintenance and respite. Our support staff are happy to lend a hand wherever they feel safe and capable.

JL42 Peer Support welcomes Adam back into the fold after a lengthy lay off due to his injured left leg. Being able to offer Adam a supervisory role here which combines his enthusiasm and communication skills seems to be a perfect fit for everyone going forwards. We look forward to assisting clients access our services and feel important.

After receiving support from coordinators across Adelaide. I am proud to continue to provide a totally independent South Australian service which has no affiliation with any other service provider. Our staff and clients all engage with our service voluntarily and with a mutual obligation to each other and to the vision of JL42 Peer Support. Creating a company which embodies the spirit the NDIS and delivers choice and control to the clients is a great privilege. Receiving beautiful messages about our service delivery regularly is inspiring.
